

***Why was the Security
Information
Opened to the Public
at Fukushima NPP Accident ?***

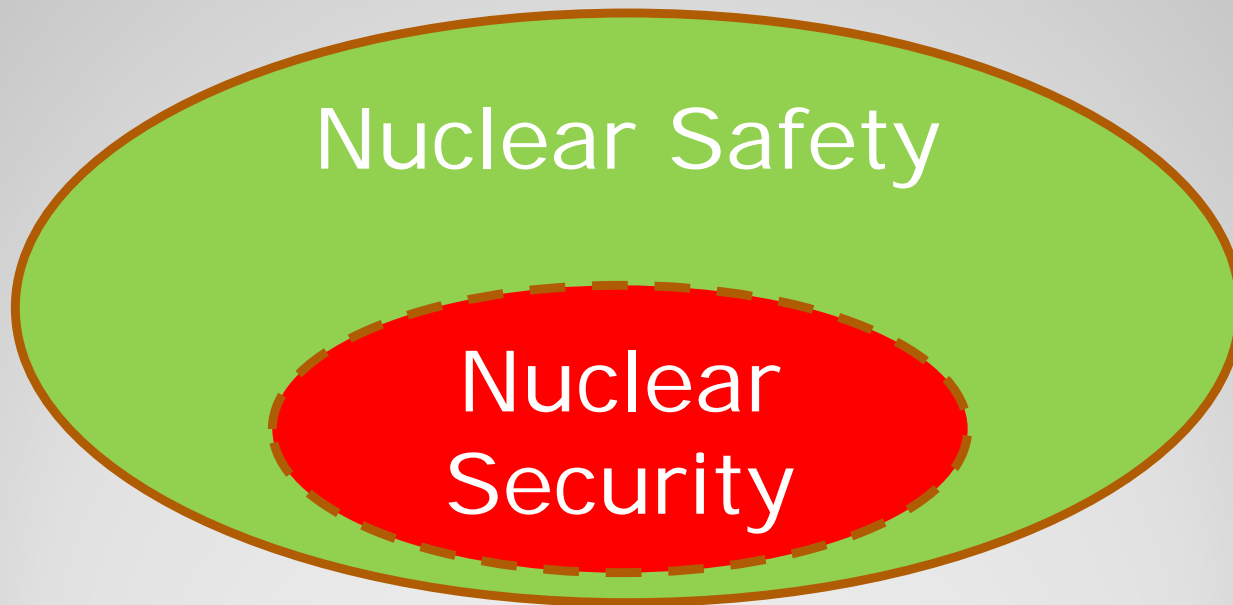

Japan Nuclear Energy Safety
Organization (JNES)

President

Professor Emeritus, Kyoto Univ.

Dr. Yoshihiro Nakagome

Japanese Sense concerning Nuclear Security

Show Humane Treatment to Terrorists !?

- ☀️ “Open everything” is Correct on Security?
On **Safety**-----OK !
- ☀️ Fukushima-accident : News Media **reported everything** on the view point of **Safety**.
- ☀️ **But, the report itself was to show humane treatment to enemy.** (Old Japanese Proverb)

Need Additional PP Countermeasures for NPP after Fukushima - Accidents

**Installations of protecting tools to
the Terrorists are considering.**

For example :

SECRET!!
